

SONORAN GAMES

BRAND DNA + INITIAL VISUAL DIRECTION

PHASE 1 / SPRINT 1

Approved direction | August 2026

BRAND ESSENCE

Friendly competition, beautifully organized.

01 BRAND FOUNDATION

MISSION

Bring friends together through fun, friendly NFL competition.

VISION

Create an enjoyable private sports competition platform that friends look forward to visiting, participating in, and sharing throughout the year.

BRAND PROMISE

Sonoran Games is an enjoyable weekly football experience that makes friendly competition easy and keeps friends connected throughout the season.

WHAT THE BRAND IS

A friendly, modern sports competition platform: relaxed and welcoming, organized without rigidity, competitive without aggression, and shaped by the warmth of the Sonoran Desert.

WHAT IT IS NOT

Corporate, intimidating, casino-like, gambling-focused, cluttered, loud, overly technical, or an imitation of a major sports network or sportsbook.

02 EXPERIENCE

PHYSICAL-PLACE METAPHOR

A friend's Sunday football living room, made more organized and polished through modern software, with a subtle Southwest atmosphere.

PRIMARY PERSONALITY

Friendly, modern, relaxed, competitive, and organized.

VOICE

Conversational, upbeat, clear, lightly playful, and never overhyped.

PLAYER FOCUS

Answer the two questions that matter first: "Who's leading?" and "How did I do?"

DESIGN PRINCIPLES

Show what matters first. Make participation easy. Keep competition friendly. Choose clarity over cleverness. Use Sonoran character with restraint.

INTERFACE POSTURE

Focused like a dashboard. Comfortable like a clubhouse.

03 VISUAL SYSTEM

APPROVED DIRECTION

Modern Desert Clubhouse clarity and structure, warmed by Desert Evening depth, with Sunday Sunset Lounge friendliness.

CANVAS + CARDS

Warm neutral canvas; deep evening navigation; clean, lightly elevated cards in sand, stone, adobe, and parchment tones. No pure-white backgrounds.

TYPOGRAPHY

Manrope for interface clarity. Barlow Condensed for display headings, scores, rankings, week numbers, and key statistics.

LOGO ARCHITECTURE

Primary wordmark with a subtle horizon or sunset treatment, plus a compact SG game mark using restrained grid geometry.

SHAPE + ICONS

Structured geometry softened by the horizon. Outline icons by default; filled states when active or important.

MOTION + NAVIGATION

Motion clarifies, confirms, or celebrates. Deep evening header; compact, easy-to-find navigation that never gets in the way.
